

Hello From Chartwells!

Serving Up Happy & Healthy

At Chartwells, our goal every day is to make sure students leave the cafeteria happier and healthier than when they arrived. We do this by serving food kids love to eat, giving students a voice, and creating programs that encourage fun and discovery!

Food Kids Love to Eat

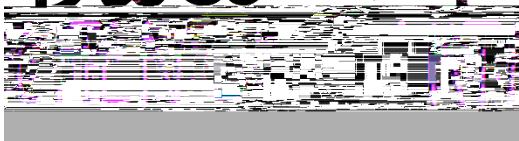

Chartwells' dedicated team of culinary professionals and nutrition experts have been hard at work crafting a menu that not only meets strict nutritional guidelines, but also appeals to the diverse tastes and preferences of students in Aiken County. The cafeteria team takes pride in offering healthy food that kids love to eat that will fuel their bodies and minds throughout the day. Students can look forward to tasty and nutritious meals all year long!

Coming This Year

We are so excited to have started the 2023/2024 school year off strong, and the feedback we've received from students, parents, and staff has been impeccable. Our top
