

Schofield Middle School
Course Requirements & Procedures Form

Course: ELA, Math, Science, Social Studies and Learning Strategies

Teacher: Mrs. Audrey Townsend

Date: July 25, 2023

Interims/IEP Progress Reports: 4.5 weeks, progress

Report Cards: Once per 9 weeks

Course Description

During the 2022-23 school year, students are expected to make a conscious effort towards accomplishing their academic, behavioral, and social- emotional goals addressed in their Individualized Educational Plans (IEPs). Parents will receive a progress report updating IEP objectives and benchmarks. The curriculum is designed to accommodate for academic and behavioral deficits, enable successful completion of the middle school course of study, and facilitate preparation for 8th grade or high school. Each course is based on grade level standards and content. A variety of instructional approaches will be employed to accommodate student diversity and individual needs.

Course Objectives:

Students will receive direct instruction and one on one instruction to master/improve essential reading skills and comprehension, math skills, and social-emotional/behavioral skills.
