

# Reading Workshop

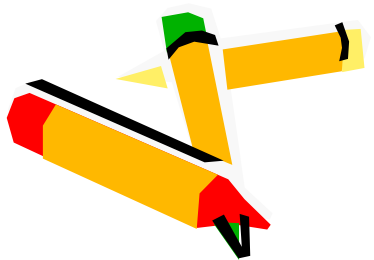

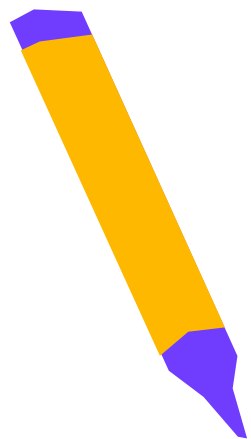

- 10 min mini-lesson
- 40 min independent and guided reading groups
- 10 min Closure / Sharing
- Cold comprehension and skill tests weekly to biweekly

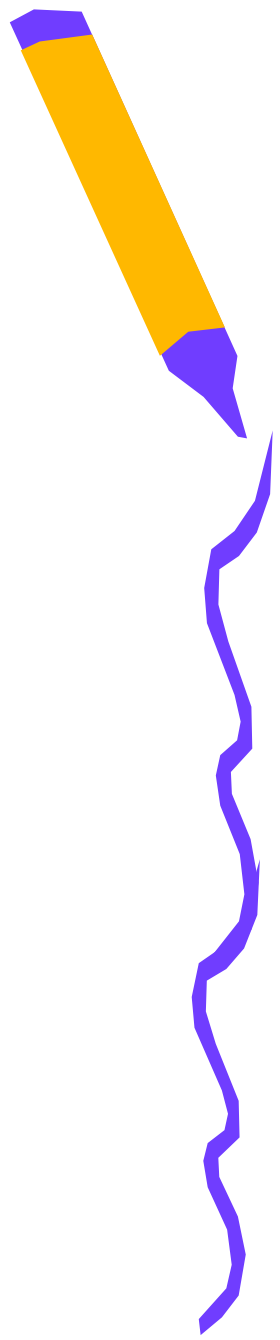

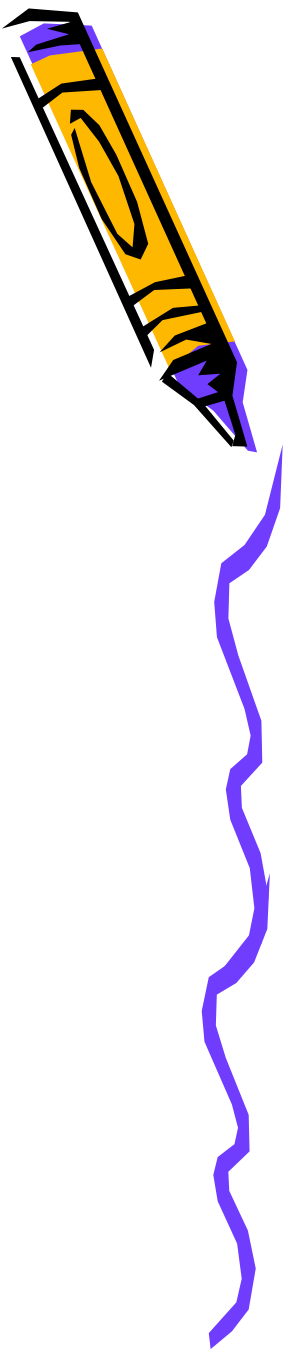

# Science / Health

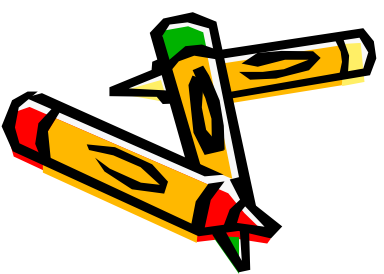

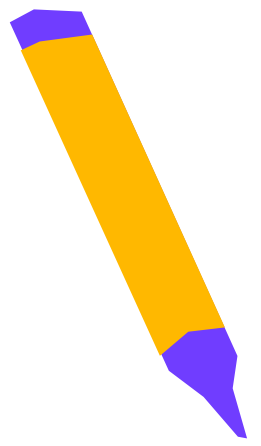

- Consumable textbooks – stays at school
- 9 Units of Study
- Everything goes in their notebooks for each unit
- Grade given on assignments throughout the unit, and test at the end of the unit
- Please study notes at home for quizzes and tests

# Homework

- No spelling homework
- Read nightly
- Study over grammar skill for the week. Quizzes are on Friday's
- Study SS and Science 2-3 days prior to test, or nightly
- Math will either be worksheets, workbook pages, or a few problems written in their math notebooks. \*When we start working on multiplication, please study those facts!
- *Students are responsible* for writing down all homework assignments/testing schedule at the beginning of the week. This is so students can plan ahead.
- PLEASE CHECK AGENDAS and THURSDAY FOLDERS for notes from me or other weekly events!

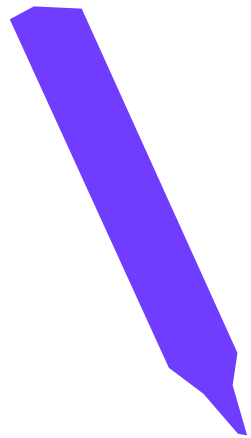

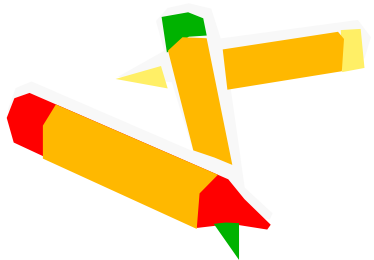

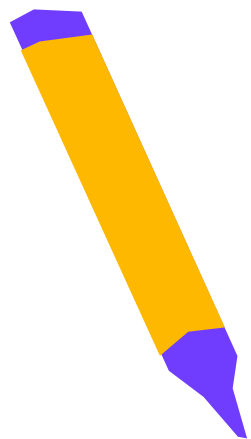

# Tech Tuesdays

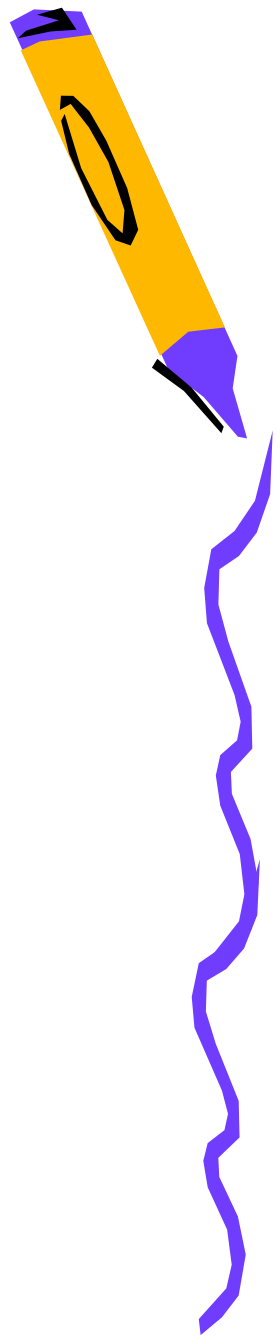

- Starting this week, we are sending home our student computers every Tuesday. There will be a homework assignment for students to complete on their computers to give them practice with remote learning.
- Please send computer back on Wednesdays.
- Computers will be charged and therefore chargers will not go home unless we start sending them home on a regular basis.
