Course Overview

Intro to Financial Literacy -

This course is designed to introduce the student to basic financial literacy skills to help them make responsible financial decisions. Concepts covered include financial planning, bank accounts, credit and loans, wages and taxes, investments, and insurance. Students will gain the information and skills to implement a life-long plan for financial success.

Intro to Coding

This course is designed to introduce the student to the basics of computer science.

Fundamentals of Computing

This course is designed to introduce students to the field of computer science through an exploration of engaging and accessible topics. Through creativity and innovation, students will use critical thinking and problem-

Responsibility and Preparation

- Ø Come to class prepared with your notebooks, charged laptops and writing utensils.
- Ø Be on time. When the late bell rings, be in your assigned seat!
- Ø Start working on bell ringer immediately so class can begin within five minutes of the bell. (Write only on the front of collected assignments, and stay inside both the right and left margins. Respond in sentences unless specifically instructed to do otherwise.
- Ø Raise your hand to be recognized --- no unnecessary talking.
- Ø Remain attentive and on-task at all times --- no heads on desks/no sleeping.
- Ø Remain in your assigned seat until you are given permission to move within the classroom.
- Ø Use standard English when you email me, and always include your first and last names.
- Ø Each emailed assignment must be sent as a separate attachment (if you are absent from class).
- Ø Treat others with respect, and be a positive influence within the class.
- Ø Use appropriate language at all times.
- Ø Avoid messy areas by refrain from bringing food or drink into the computer lab.
- Ø Work should be turned in on its due date. Late assignments will be subject to a grade penalty of 5 points per day.
- Ø Assignments that have not been turned in by the end of the grading period will be assigned a grade of a zero.
- Ø Keep a calm and noise free environment at all times.
- Ø Deactivate and place all electronic devices out of sight.
- Ø Unexcused tardiness and class cutting are unacceptable.
- Ø In general, food is not allowed in class. This is contingent on it not becoming a distraction in class.
- Ø NO open can drinks will be allowed in the classroom.
- Ø If you receive an "INC.", for an assignment you will need to resubmit both the corrected

I have read and understand Dr. Lewis-Jordan's classroom syllabus & expectations for Business and Computer Science.
