

Third Grade Syllabus

- Data Analysis
- Geometry

SCIENCE

- Lab Safety * The Engineering Design Process
- Environments & Habitats
- Changes to Environments and Habitats
- Earth's Materials 5. Earth's Processes
- States of Matter
- Electrical/Heat Energy
- Circuits
- Magnetism
- Electromagnets
- Health

SOCIAL STUDIES

- SC Regions & Places

REWARDS AND CONSEQUENCES

Positive behavior is rewarded with Dragon Dollars.

Negative behavior is addressed through the following these steps:

- Verbal Warning
- Silent Lunch
- Parent Contact
- Office Referral and Parent Conference
- Level of severity can determine the initial step that is taken. Please refer to code of conduct for further information.
- Possible loss of field trips can occur if a student is acting in a manner that comprises their own or other students' safety.
