## Algebra I

1. Student will have the number of days absent up to 5 days to complete missing work without penalty. If a student is absent in excess of 5 days, please consult with the student's administrator to determine an appropriate due date for makeup work. A zero will be put into the gradebook as a placeholder until such time as the work is made up.
1. Students will have one opportunity to make corrections to summative assessments and common formative assessments. Students can earn 1/3 of missed
