## SREB

1. Student will have the number of days absent up to 5 days to complete missing work without penalty. If a student is absent in excess of 5 days, please consult with the student's administrator to determine an appropriate due date for makeup work. A zero will be put into the gradebook as a placeholder until such time as the work is made up.
1. Students will have one opportunity to make corrections to summative assessments and common formative assessments. Students can earn 1/3 of missed points for all correct answers.
2. ALL correction opportunities must be preceded by the student receiving tutoring/support during WIN Time or at another scheduled time. Students are responsible for working with a teacher to schedule tutoring/support time and time to retake an assessment.

1. Late Work - there will be an automatic 50% deduction for late work.

2. Make-Up Work - if a student has an excused absence from school, he/she must turn in previously assigned work upon return to school. For new assignments, students will be given the amount of days missed to complete the assignment(s). If assignments are not complete in the allotted time a late work penalty will be assessed.

\*Students are responsible for making up any work missed during their absences from school. It is the student's responsibility to gather or arrange for assignments to be gathered during absences.

Every student is given one hall pass per quarter (four passes per year) to use during class time. To use a hall pass, students must use their agenda according to the school policy. Passes may only be unassessed.
