Monday- Friday 1st Period

This course is designed for individuals who want to expand their knowledge of the world of music. In order to be successful in this class, students must keep an open mind, remain disciplined, and simply have a love for music. Throughout the year, we will explore and apply the key elements of music (rhythm, pitch, and melody, etc), music cultures and styles, music history, our personal identities and preferences in music, as well as musical artists and instruments. Upon the completion of this course, each individual will have a thorough knowledge of the musical culture, both past and present.
