

2023-2024

With your permission, I will be having a few days with you and your child this year. I will be following information that you've provided your child as we begin.

If you ever have any questions, please contact me at jcoffey@acpsd.net or (803)471-2237. Email is the quickest way for me to respond.

Class Rules

1. Do what's asked of you.
2. Treat others the way you'd like to be treated. Be kind & respectful! NO BULLYING!
3. Follow school, lab safety, and district rules.

Consequences:

Supplies

Each student will need a binder with loose leaf paper. Each student should also have daily access to a pencil, glue stick, scissors, highlighter, and agenda. Most supplies are provided in STEM.

Agenda

Agendas are encouraged daily. It is the student's responsibility to copy down assignments correctly. This is also a perfect resource to keep the lines of communication open from home to school. Your child's agenda should be carried to class daily. It will be used as their pass out of the classroom (bathroom, nurse, office, library, etc.).
