

Inquiring Minds Love to Learn!

Our **e ssential e leion** to guide our learning this week are:

How do I use stories for learning and enjoyment?

Why is it important to take part in reading activities?

How do we explore shapes and patterns?

Our **I Can a emen** to guide our learning for this week are:

I can find letters I know in names and in words around me!

I can read a book from cover to cover-and then read it again!

I can describe how we use shapes and patterns!

Our Current Unit of Inquiry is...

We are beginning a new unit of inquiry titled "Tell a Story, 1, 2, 3!" We will be exploring story sequence, various versions of familiar stories, information books and counting/number books as we continue to practice rhymes!

Language Arts

This week in language arts we are reading The Three Billy Goats Gruff. We will explore telling familiar stories as well as our letters and sounds using our names! Also, we will ask and answer questions about shapes and patterns
