

Clever is an internet-based platform that houses all the Aiken County Public School District provided software. Students will use Clever to access their school programs. This allows them to only need one password for several software programs. Clever also allows access to online textbooks.

**Logging On:**

Your student's username is their student number. This can be found in the Parent Portal. The password is your student's 8-digit birthday in the MM/DD/YYYY.

**Kindergarten will be using the following programs:**

**RAZ Kids:**

Online Digital Library with leveled books.

RAZ Kids is in the Learning A to Z family (Reading **A** to **Z**, Vocabulary A to Z, etc).
