

Kindergarten

Dual Modality

Dear Families,

Please complete the kindergarten work attached while you are under quarantine. Aiken County Public School District requires work be completed and returned within 5 days of coming back to school. Your child will be considered unlawfully absent if work is not returned by the deadline.

Work pages should be in students handwriting only. Parents are more than welcome to help and guide students through their assignments, however, only students should be writing, drawing, or coloring on their work. This is the best opportunity for them to learn. Along with written work from your packet students are expected to log in to Clever to participate in online learning.

In order to help students' connect with learning and their classroom we offer live streaming of direct instruction through Microsoft Teams. Please visit the ACPSD website, Departments--> Technology to learn how to log on to teams.

Schedule:

Math- Monday - Friday: Math Lesson : I will log on from 7:50 - 8:05
