SOUTH CAROLINA

College Goal South Carolina is an annual event which helps students and families complete the Free Application for Federal Student Aid (FAFSA). The FAFSA is the single most important financial aid form you will complete as you apply to college. Also, the FAFSA can be a prerequisite for qualifying for private awards.

In addition to getting professional help to complete the FAFSA at the College Goal South Carolina event, students are also provided information on state scholarship programs, as well as information about the state's two-year and four-year higher education institutions.

This school year, College Goal South Carolina events will be held at multiple locations across South Carolina. The different locations and dates can be found at www.sccango.org/college-goal-sc-locations. Mark your calendars to save the date for this FREE event!
