

The Anita Eubanks Scholarship was created to honor the life of nurse-educator Anita Eubanks. Anita was a committed registered nurse with an affectionate smile who was always willing to counsel anyone in need. Before her untimely death, she longed to mentor minority female students in the field of nursing. Her commitment to education and serving students through knowledge and wisdom inspired our organization to give back to a deserving minority female student currently enrolled or pursuing a nursing degree for the upcoming academic year.

Requirement(s)

1. The student must be a graduating senior for the current academic year with a chosen nursing degree or nursing interest.
2. The student must have proof of collegiate acceptance letter.

Eligible Institutions

- A. Two-Year College
- B. Four-Year College/University
- C. Technical school for post-secondary studies

Required Document(s)

1. Completed application form.
2. Official High School Transcript in a sealed envelope from the high school institution.
3. Two academic reference letters on letter head, no relatives allowed.
4. Proof of community service hours from organization, school, or community organization on letter head for the **prior 3 years**.
5. No application fee required.

Please **type** or **print** your answers below. If the writing on the application is not legible, it will not be considered by the review board.

--	--

9 List your community service activities (**prior 3 years**). Attach proof of your service hours if available.
