traits we feel are important for students of all levels to master.

"C" **Confidence** will be taught to the middle school cadets through many of the activities. Focus on goal setting and organizational strategies for overcoming obstacles in school and out.

"A" **Academics** will be instilled through our optional tutoring sessions. Academics will include tutoring in any of their classes as well as basic NJROTC knowledge to help them become successful in the program. Freshmen, boys and girls are encouraged to join in their freshman year.

"D" **Discipline** will be taught to the middle school cadets through many of the activities. Focus on goal setting and organizational strategies for overcoming obstacles in school and out.
