

Big FAFSA[®] changes are here

Different doesn't mean bad: we've got your back so you don't miss a beat.

Completing and submitting the Free Application for Federal Student Aid (FAFSA[®]) just got easier, but you will want to know about changes too so you're prepared!

Keep in mind that filing the FAFSA[®] is free—you should never be asked to pay to complete the form.

If your financial aid status has changed, you must complete the FAFSA[®] with the information required, and then follow up with your school's financial aid office for further advice.

Application submission time frames and required tax information are projected based on information provided at fafsa.ed.gov
