Help sponsor a cheerleader to help get her to camp and pay for cheer gear for the upcoming season

How it works Choose a day in the month of May and pay the amount of that day. Example: If you choose May 1st, you would pay \$1, May 10th would be \$10 etc.

All proceeds go directly to the cheerleader until all of her fees are paid, then the rest goes into the general cheer account to help cover the cost of team expenses later in the year.
