2. Out-of-District Transfer Requests (Mr. Laurence)

Board Policy JFABC allows the Aiken County Board of Education to arrange with other school districts for the interchange of students. The policy stipulates that when students transfer out of the District, “the School District of Aiken County shall assume no responsibility for tuition to the receiving district.”

3. Make-up of School Day Lost Due to Hurricane Michael (Mr. Laurence)

Section 59-1-425(B) of the 1976 Code, as amended by Act 260 of 2006, reads “(B) Notwithstanding any other provisions of law to the contrary, all school days missed because of snow, extreme weather conditions, or other disruptions requiring schools to close must be made up. All school districts shall designate annually at least three days within their school calendars to be used as make-up days in the event of these occurrences. If those designated days have been used or are no longer available, the local school board of trustees may lengthen the hours of school operation by no less than one hour per day for the total number of hours missed, operate schools on Saturday, or may waive up to three days.” The SC Department of Education clarifies that the first three missed days must be made up. Days four through six may be waived by majority vote of the local school board or may be made up by extending the school day or on Saturdays. Days seven through nine may be waived by the State Saturdays.
