Halli Hallo!

Montag. "Willkommen" to you and your child as we embark on this new year immersing ourselves in the German language and culture! My name is Birgit Weeks, and I am delighted to be your child's German teacher. I'm thrilled about sharing all things "Deutsch" with your child this year.

I communicate with my students via Schoology. Here, I will post all content, assignments and links to review activities as students practice key concepts. If your child is absent, I encourage him or her to contact me. Please keep this in mind for extended absences, as well.

Another important component of a successful school-home relationship, particularly at this level, is a continuous flow of communication in both directions. I would especially appreciate your sharing any special considerations / situations that might affect your child's progress this year, and of which you'd like me to be aware.

To foster further communication, I encourage you to monitor your child's progress via PowerSchool, which I will update regularly. Grades are based on total points earned out of points possible.

Finally, please, together with your child, view the syllabus on Schoology for general information regarding this class and send me a short message to confirm that you have read the syllabus.

A positive educational experience is achieved only through the cooperative efforts of students, parents and teachers. **T ha k**
