Dear Parents,

We are pleased to have your children in our classes this year. We love teaching and our goal is to provide every child with a sense of community that encourages him or her to participate, write, create, evaluate, learn, think, and celebrate!

We will be using school agendas this year as a way of communication between parents and teachers. It will also serve as a

We ask that you please read through the agenda. This agenda is your guide to the procedures at East Aiken. Please check and sign agenda daily.

The Kindergarten Parent Handbook explains class procedures, behavior plan, homework policy, and general information. Please keep the handbook for future reference. We appreciate your help, and look forward to working with you and your child this year. If you have any questions, please contact us at (803) 641-2450.

Sincerely,
Kindergarten Teachers

In my classroom I use a Clip Chart to help monitor the behavior of the students. and move their clothespin up or down during the day depending on the choices they make regarding their behavior.

When a student does not follow the classroom rules, the teacher will choose an appropriate consequence for their behavior.

: When a student makes strong choices, the teacher will choose an appropriate positive reward.

If a student continues to defy the classroom rules,

One good way for a child to learn responsibility is by doing his/her homework neatly, correctly, and on time. Homework is designed as reinforcement of skills learned earlier and practiced in class.

Homework should involve parents. It is very important that you take

30 minutes nightly reviewing and working on homework. If this is done, you will be aware of the any areas that your child needs to practice.

Homework should be done with a pencil,

_____ Your child will have a daily homework journal. The journal will be labeled and sent home Monday through Thursday. Homework journals will be sent home on Fridays. The homework journal will contain a homework agenda. The agenda details what assignments to complete daily. Check for homework changes in the front of their homework journals.

Students in 5K receive a kindergarten report at the end of each nine -week grading period based on the following criteria:

M = Meeting: (85 % - 100%) demonstrates independent and consistent mastery of standard.

P = Progressing: (70% - 84%) demonstrates partial mastery of standard but needs additional practice.

NP = Not Progressing (69% and below) demonstrates little to no mastery of standard.

These grades are determined through observations, individual assessments and group assessment. The grades are averaged at the end of the nine weeks: Individual assessments can and will be re -administered throughout the year. Individual assessments will continue to be re -administered until the objective has been mastered or it has been determined that the student will need further assistance to master this objective.

Class work is checked on a daily basis. Students receive an they do

Contact Number(s): Please note contacts name, relationship to the child and indicate cell, home, or work.
