

2023-24 RETURN TO IN-PERSON INSTRUCTION AND CONTINUITY OF SERVICES PLAN

OVERVIEW:

1. Description of Maintaining Health and Safety

Keeping students and staff physically and emotionally safe is the number one priority of Aiken County Public Schools (ACPSD). The traditional 5-day, face-to-face schedule adheres to the current guidelines from CDC, DHEC, and SDE to the greatest extent possible. The current guidelines strongly recommend social distancing when possible, preventative health measures, and frequent cleaning of high touch surfaces (door handles, handrails, light switches, etc.).

Health & Safety Protocols for Staff

1. The Nursing Supervisor will ensure that all school nurses remain abreast of the symptoms that could indicate COVID-19 as the CDC and DHEC update these symptoms.

2. Universal and Correct Wearing of Masks

After considering Governor McMaster's Executive Order to lift the mask mandate in South Carolina's public schools and State Superintendent Spearman's rescission of her mask policy, ACPSD has determined that masks will be optional for faculty, staff, and students in our school buildings or on school buses.

3. Modifying Facilities to Allow for Physical Distancing (e.g., use of cohort/podding)

The school district will monitor cases of COVID-19 and will respond accordingly if the need arises to reinstitute strict social distancing protocols. All classrooms will have hand sanitizer and Morning Mist disinfectant available for staff to sanitize desks. Classroom doors
