PART I ±

GENERAL OVERVIEW OF THE CONSOLIDATED SCHOOL DISTRICT OF AIKEN COUNTY

GENERAL INFORMATION

Aiken County was formed in 1871 from parts of Barnwell, Edgefield, Lexington and Orangeburg Counties. On July 1, 1952, all school districts in Aiken County were consolidated into one countywide district. The newly created district assumed all assets and liabilities of the districts consolidated.

The Consolidated School District of Aiken County ("the School District", hereafter) was created by Act No. 461 of the 1967 Acts of the General Assembly of the State of South Carolina that became effective as of March 1, 1968. This legislation was amended by Act No. 1093 at the 1968 Session of the General Assembly of the State of South Carolina, approved April 17, 1968, further amended by Act No. 123, approved March 18, 1979, and further amended by Act No. 139 approved March 31, 1979. Act 503 repealed all of the above to establish the legal description of The Consolidated School District of Aiken County with one Act. The School District, as thus created, comprises all of Aiken County and that portion of Saluda County formerly constituting Ridge Spring School District No. 2 of Saluda County. The land area of the School District is 1,178 square miles of which 1,097 square miles lie in Aiken County and 81 square miles lie in Saluda County.

The Consolidated School District of Aiken County provides school facilities in the area covered in Saluda County. School District taxes attributable to the portion of the School District located within Saluda County are levied and collected by the Treasurer of Saluda County and remitted periodically to The Consolidated School District of Aiken County. The Consolidated School District of Aiken County also handles payment of debt service on District obligations attributable to the portion of the School District located within Saluda County.

The District Superintendent is selected by the County Board of Education. The Board of Education constitutes ex-officio the Board of Trustees of the School District. Each administrative area has an advisory council of seven members appointed by the County Boar
