PDF 26 0RQWHUH\

Security and Damages:

Responsibility to keep the device secure rests with the individual owner. The Aiken County Public School District and/or
your school or

Terms and conditions of use

Acceptable use:

The purpose of the district's decision to provide Internet access is to allow an expanded opportunity for education, research and professional development by providing access to unique resources and the opportunity for collaborative work. All use of the Internet must be in support of education and research and consistent with the educational and staff rules appropriate for that network. Transmission of any material in violation of any federal or state laws or regulations is prohibited. This includes, but is not limited to, copyrighted material, threatening or obscene material, or material protect by trade secret.

Violations will result in appropriate disciplinary action against the staff member or student involved.

Accessing inappropriate sites:

Internet activities will be monitored by the district to ensure students are not accessing inappropriate sites visual depictions that include obscenity, child pornography, or are harmful to minors. The school district uses CIPA approved technology protection measures to protect students from inappropriate access in addition to monitoring.

The district will provide reasonable notice of and at least one public hearing or meeting to address and communicate its Internet safety measures.

Reporting:

District and school computer technicians who are working with a computer and come across sexually explicit images of children must report this to local law enforcement. The report must include the name and address of the owner or person in possession of the computer.

Online behavior:

The district will educate minors about appropriate, safe and secure behavior, including interacting with other individuals on social networking websites and in chat rooms and cyberbullying awareness and response. The superintendent or his/her designee will develop a program to educate students on these issues in accordance with Internet safety standards and grade bands published on the state department of education website.

Off-campus conduct:

Students, parents/legal guardians, teachers and staff members should be aware that the district may take disciplinary actions for conduct initiated and/or created off-campus involving the inappropriate use of the Internet or other resources if such conduct poses a threat or substantially interferes with or disrupts the work and discipline of the school including discipline for student harassment and bullying.

Procedures for use:

Employees may access the Internet for educational or related purposes at any time that is not disruptive and does not interfere with the performance of other responsibilities of the employee or other staff members.

Students will be allowed to access the Internet only under the supervision of designated staff or by agreeing to the requirements of the schoolwide wireless access. No students may access the Internet without permission.

Rules governing use:

The following guidelines for acceptable use will be applicable.

Users are expected to employ appropriate net etiquette; profanity, vulgarity or abusive, inappropriate language is prohibited.

Illegal activities are forbidden, including unauthorized access to ~~SKDFNLQJ`E\ DQ\ XVHUV~~

Users are not to reveal their personal address or phone number or that of other individuals, students or colleagues.

Users are not to use another school's or individual's account without written permission from that school

_____ I will not physically share my personal devices with ANY student, as TBYOD devices are on a different filtering profile. single violation of this rule will result in TBYOD access revocation.

_____ I understand that the use of personal devices to support educational experience is not a necessity but a privilege. With respect to the rules, this privilege will benefit the learning environment as a whole.
