Classroom News

I am using Class Dojo as a way to communicate. Please make sure you check it daily. Please also look in your child's homework folder daily for school information. Last Friday was our house reveal day. I will send home a form telling what house your child is going to be in for his/her time at BES. Please allow your child to wear your child's house color each Friday to support community within our school.

Tuesday, Aug. 22nd : open House 5:30 – 7 pm - Hope to see you!

We will be making two tie dye shirts this year. One will be for your child's house color. The other shirts will be a class color we will use when we will go on field trip. (More info on field trips will come in a letter at a late date.) Please send in two white t-shirts with your child's name on the inside collar by Wed., Aug. 23rd Study sight words every day and return to pouch. Please allow your child to bring a water bottle each day. We use them during snack and after recess.
